In 2011 the CDC release a "What to do in case of a zombie attack" web site. It went viral.

Over 10 million people tuned in for the season 3 premier of AMC's "The Walking Dead" a drama based on a world overrun by the undead.

Amazon.com lists over 70,000 results for a product search of Zombie. 30,000 of those are for books and movies.

Google reports that searches for "zombie" result in millions of clicks each month.

We accidentally introduce item 62363.

Available now at your own risk, while we search for a cure.
